Postgraduate Achaogen Lunch Talk

▷ When: Thursday, October 26th, 2017 from 12-1PM
▷ Where: N-217
▷ How: RSVP asap, Space is limited
▷ Who: All UCSF pharmacy students;
  ▷ Food for ACCP members only; BYOD (Bring your own drink)
▷ What: Come join ACCP-SCCP at UCSF for a special lunch talk on postgraduate fellowships in industry by Dr. Allison Komirenko and colleagues from Achaogen.
  ▷ Allison Komirenko, PharmD, is a graduate of the University of California, San Francisco (Class of 2015), Pharmaceutical Sciences Pathway. During her time as a student, she was involved in research leveraging chloroquine pharmacology to better understand cellular stress response, interning at Kaiser San Francisco in outpatient/inpatient/ambulatory care settings, and serving as a teaching assistant for Cardiovascular Therapeutics. Following pharmacy school, Allison deepened her understanding of clinical research through the Achaogen Biopharmaceutical Fellowship program as a clinical sciences fellow. Current interests include clinical pharmacology, infectious disease PK/PD, and clinical trial design.
ACCP Clinical Research Challenge (CRC)

- **When:** TBA
- **Where:** TBA
- **Who:** P1 and P2 students only
- **What:** Local Competition
  - ACCP is pleased to announce the return of the Clinical Research Challenge (CRC). Critically evaluating and applying primary literature is an essential skill for clinical pharmacists. Research and scholarship contributes to improved health outcomes for patients and advancements in the profession of clinical pharmacy.
  - Individuals complete a written multiple choice test (approximately 90 min). All participants will be provided drug literature (e.g. landmark trial, recently published study) 72 hours prior to the competition to review.

- **What:** National Competition (Round 1)
  - Top 3 individual scores from the Local Competition comprise the single team (+ two alternates).
  - This innovative and unique competition offers teams of three pharmacy students to participate in an online journal club and the opportunity to submit a clinical research proposal.
  - More info can be found at: [http://www.accp.com/stunet/crc/index.aspx](http://www.accp.com/stunet/crc/index.aspx)
